

## Airport District To Purchase Joerger Land Near Here

### Agreement Reported After Long Negotiation In Land Action

At a special meeting of the directors of the Truckee Tahoe Airport District Monday at noon, agreement was reached between the board and J. E. Joerger for the purchase of Joerger's land south of Truckee as an airport site.

Approximately 207 acres are involved in the transaction and the \$250 per acre to be paid by the district was the original price asked by Joerger.

"This action of the board ends speculation about improvement of the old Truckee airport," Chairman Jack Hougate stated. "We will put all our efforts toward improving the new and better airport."

"This was one of the most constructive meetings we have held," Director Rex Reid declared.

Joerger, in agreeing to the terms of the sale, also donated an 80-foot right of way to the proposed airport from the Brockway cutoff.

All directors attended the special meeting as well as Cecil Edmunds, district secretary and Robert Fugazi, legal counsel and approval of the agreement to purchase the land was unanimous.

Several residents appeared before the regular board meeting Tuesday night to discuss the possibilities of relocating the airport strip. Those appearing included Mr. and Mrs. Karl Kiehlhofer, Mrs. Angelo Besio, Dr. Ben King and Mrs. Eve Popovich.

The board deferred several items of business pending the recording of the deed. The next meeting will be held May 17 at the office of the utility district and the public is invited to attend.

## Suspect Is Held In Local Robbery

Robert Coiner, 23, a transient magazine salesman, was being held in Las Vegas this week and according to word to local officers admitted burglarizing the offices of Dr. Robert Affeldt on the main street two weeks ago.

According to federal bureau of investigation officers, who made the announcement of Coiner's arrest, he will be taken to Ukiah where he is also wanted by the law.

Local officers have placed a "hold" on the suspect and he will be returned here eventually to face burglary charges.

It will be recalled, Coiner was for a short time cornered in the dentist's office where he was spotted by an alert Southern Pacific employee, Howard Staster, who saw the burglar in the office across the street from the depot.

The burglar led local officers a merry chase and escaped down the alley, in which there were no lights on that particular morning. Deputy Sheriff Emory Lander fired one shot at the suspect as he fled but the shot did not take effect.

The suspect escaped with approximately \$12 taken from Dr. Affeldt's office. He left his hat and coat near a window where he entered the office and it was from this that officers identified him.

## FORMER LOCAL MAN EXPIRES IN NEVADA

Alfonzo Gadda, a retired lumberman died at a Reno rest home April 9 after residence there of three years. He was 76. He made his home at Truckee and Hobart Mills, before coming to Reno in 1937. He was a native of Italy and settled in the U. S. in 1904.

He was the brother of Mrs. Bettina Ramponi, Tremazzo, Italy; George Gadda, South Africa; Charles and Steve Gadda, Reno; uncle of Henry and George Gadda, both of Reno, Mrs. Florence Bogatch, Washington and Mrs. Dolly Avery, Novato, Calif. Several nieces and nephews in Italy also survive.

Rosary will be recited at 8 o'clock at the Ross-Burke Co. and mass held at 9 o'clock from the Church of the Little Flower.

## HIKING BRITISHERS DO NOT STIR TRUCKEE

Truckee, which is more or less used to having unusual visitors, was not at all excited this week when the highly-publicized foot travelers, Dr. Barbara Moore and Sergeant Patrick Moloney and Mervyn Evans stopped briefly on their coast-to-coast hike.

The three Britishers have created somewhat of a stir since they left San Francisco a few days ago and started the walk across the United States.

The two soldiers are considerably ahead of Dr. Moore, who stopped at Goodfellow's Monday for luncheon and then stepped out toward Reno. At the same time the two sergeants were well on their way to Lovelock.

## Schools Week To Be Observed Here During Next Week

Public Schools Week will be observed by the Tahoe Truckee Unified School District during the week of April 25-29.

Parents and all interested people are cordially invited to visit classes during that week. Open house will be observed in the Tahoe Truckee High School on Thursday, April 28, from 7:30 to 9:30 p. m.

Elementary schools, Kings Beach, Tahoe City and Truckee, will have open house on Wednesday, April 27 from 7:30 to 9:30 p. m.

Donner Trail School will not have an evening open house, but parents are cordially invited to visit the school during the day any day during that week.

## Bids Vary On Job Clearing Prosser

A whopping \$90,500 separated the high and low bidders Thursday as the U. S. Bureau of Reclamation opened proposals for clearing the site of the Prosser Creek dam five miles northeast of Truckee.

The lowest of nine bids came from Heim Bros., Inc., of Walnut Creek. A professional land clearing contractor, the firm bid in the job at \$5,750.

Of the eight other bidders, only one, Souza and Wright Construction Co. of Yuba City, was below the \$10,000 mark at \$9,594. Other bids ranged from the \$17,000 of Baker and Cleghorn of Chico, to \$96,250 by Sterling Co. of Modesto.

Federal engineers estimated the job would cost slightly more than \$8,000.

E. C. Malmstrom of the bureau of reclamation office in Carson City said the bids will be forwarded to the regional office at Sacramento for award.

Seven acres of heavy timber and areas of lighter growth must be cleared at the damsite.

## SOUTH TAHOE WINS FROM LOCAL TEAM

The South Tahoe Vikings scored four runs in the fourth inning, and five in the sixth to take a 13-0 decision over the Tahoe Truckee Wolverines Friday afternoon before the largest crowd of the season on the Truckee diamond.

In the first inning, the Vikings scored a single run when Bob Cole was singled home by Gene Lang.

Jim Kurisia hurled a two hit shutout, while Wolverine pitcher, Stan Gould, allowed only seven hits. Gould, however, lost his second game of the season on errors.

The rest of the game belonged to the Vikings as the Wolverines went down 1-23 until the sixth, when Dave Decker singled, and Marty Kumble came up with a fielders choice double.

The Wolverines could not manage to get in a run, so their threat died with men on second and third. Practices have handicapped the Wolverines all season because they have not been able to practice on Truckee field until their third and fourth games. The injured arms and head colds plagued the players.

Coach Cal Farley said the Wolverines should have won this game, and he hopes for better results at the next clash of the two teams, which will be on the South Tahoe field.

## MRS. JAMES HARRIS HONORED AT PARTY

Mrs. James Harris was the recipient of many useful and beautiful gifts presented her at a stork shower given by Mrs. George Davidson at Donner Lake last Thursday.

The guests who enjoyed the affair and partook of the refreshments included Mesdames Robert Tonini, Herbert Copeland, Stella Thomas, Gary Reid, James Harris, Sr., O. Slate, Harry Stout, Claude Harrison, Ruth Davis, Elden Tonini, Angelo Besio, and A. R. Ghirard all of Truckee and Mrs. Ken Gordon of Kings Beach, Mrs. Richard Elmquist of San Francisco, Mrs. Veda Fisher of San Mateo and Mrs. B. Heston of Loyalton.

**Easter Guests—** Easter guests at the home of Mr. and Mrs. Jack Pistoia were Mrs. N. Messinger of Carmel, V. Pistoia of San Francisco and Mrs. Mary Kohler of Palo Alto.

## Gunman Holds Up, Robs Local Union Station Monday

### Armed Bandit Escapes On Foot With \$100 In Station Cash

An armed robber Monday morning held up the attendant at Hellar's Union Service Station in Truckee and escaped with approximately \$100 in cash.

The attendant, Joseph (Peppy) Garcia, told Deputy Sheriff Robert Schooley that while he was alone in the station, the young man between 23 and 25 years of age and attired only in a sweat shirt and slacks, entered the station and displayed a .38 calibre revolver, demanding the money.

The robber emptied the cash register and fled. He apparently had no car and escaped on foot.

Garcia told Schooley that a short time previous to the robbery, a second man, who was having his car repaired at the station was visiting him. A soon as the customer left, the second man appeared.

Schooley said the suspect strongly resembled the robber who two weeks ago entered the offices of Dr. Robert Affeldt and escaped with a small amount of cash.

A search of the area failed to reveal any trace of the suspect.

## Pine Beetle Threat In District Is Seen

Pine beetle and fir engraver beetle populations are currently growing to epidemic proportions in the Truckee-Donner and Lake Tahoe area, District Ranger Roy Saarni of the forest service reports.

Two forest service crews are currently cutting, burning and spraying trees with insecticide to abate the spread of these beetles at Lake Tahoe and Hobart Mills.

Landowners and local residents should be aware of the potential hazards of these two beetles. Beetles will kill and severely damage pine and fir trees on lawns and property. In order to control the beetles the landowners should burn all green slash immediately.

Any green logs or material that cannot be burned should be sprayed with a lindane insecticide. Lindane can be purchased locally at most hardware stores, Saarni said.

Any further information can be obtained at the local ranger station. Fire season regulations are in effect now, obtain a fire permit before burning, Saarni warned.

## LOCAL DeMOLAY AT CARSON CONCLAVE

Thirteen members of the Tahoe Truckee DeMolay with their advisors attended the three day weekend convention with seven chapters of the Nevada order, held at Carson City.

Mrs. Ronald Barker chaperoned her daughter, Cathy Barker and Vicki Firpo who were among the contestants for the title of DeMolay Sweetheart.

Convention activities opened with a welcome from Howard Nielson, state master counselor; Robert H. Parker, past grand master and active member to the Supreme Council; and Charles Allen, state advisor.

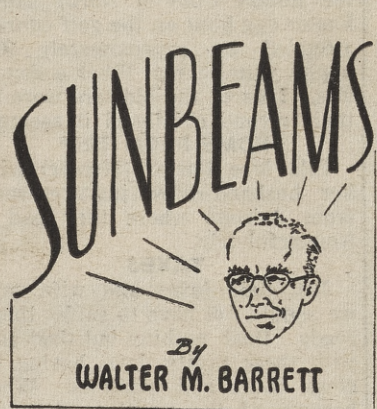

The advisory board for the convention was under the leadership of Orvis Reil and Roy Wise. The chapter was assisted in preparations by the DeMolay Mother's Circle.

Terry Walker, son of Mr. and Mrs. James Walker of Truckee was appointed state sentinel for the coming year, according to the report from Barry Leamon, local chapter scribe.

## TWO ARE HELD AFTER VEHICLE DISTURBED

Two San Rafael youths, Ronald Eugene Anderson, 19, and Charles Thomas Douthit, 17, were being held on charges of burglary after they were alleged to have entered a state vehicle parked at Donner Lake last Saturday night. Arraigned before Judge F. W. Wilson, they were held under \$3200 bail and Douthit was cited to the juvenile court. They were arrested by the California Highway Patrol.

**To Colfax—** Dee Warfield has had an address change from Truckee to Colfax.

No one seems to know whether or not Truckee will have a baseball team entered in the Sierra Nevada League this season, although league officials are willing and anxious that Truckee participate. In the past, Truckee has always proven to be the best crowd-getter in the league and many pleasant Sundays were spent at the local diamond. It would be a shame to see the local team drop out, and yet there has been no concerted or individual effort to field a team. The final meeting before the season opens will be held at Fallon on May 8, but there are preliminary steps to be taken for entrance before that date. Lloyd Newton, league president warns, and if this community is interested, the leaders are urged to contact Newton immediately.

This is the season of the year when the transient peddler makes his annual debut. As we have said in the past, many of these people are good honest salesmen, but they are few compared to the get-rich-quick artist who has a bill of goods to sell. May we again suggest that you do your purchasing and dealing with local people who are here to make the community better and who spend their profits, for the most part, in the local communities. Few transient peddlers do more than buy a quick cup of coffee and they are on their way with your money and the returns from this money may be seriously in doubt.

## REGULAR SCHEDULE AT RINK ARRANGED

All the "bugs" have been ironed out at the Blyth Arena at Squaw Valley and a regular schedule for skating has been adopted by the manager-consulter, Julius Schroeder, veteran ice hockey coach, with the sport becoming increasingly popular.

Schroeder announced this week that he is preparing to coach younger boys in the non-to-gentle art of hockey during the coming months. In his long career as coach, he has developed many teams throughout California and some of his students are now internationally known.

The arena manager was coach at California for 19 years and was soccer coach for the Bears. He was cited recently for his work when he was awarded an honorary membership in the American Hockey Association for his outstanding contribution to the game.

At Squaw Valley, Schroeder says skating will be available every day between 2 and 5 p. m. and from 7:30 to 10 p. m. and on Saturdays and Sundays, morning sessions will be added from 10 to 12 a. m.

He has the skate shop open where skates are sharpened, repaired and rented. The established rates for skating are 60 cents for youngsters under 14, 75 cents for those from 14 to 18 and \$1 for adults.

## MRS. MOREY RESIGNS HOSPITAL POSITION

Mrs. Daven Morey, for many years head nurse at the Tahoe Forest Hospital, has resigned her position, effective April 15. Her place has been taken by Mrs. Hal Gilson, who also has been on the hospital staff for a number of years, according to Administrator J. J. McGlade.

Mrs. Morey has no definite plans, but will remain at her home in Gateway Park.

Morey, former manager of the Truckee Public Utility District, has left his office there, also effective April 15. Morey's successor has not been named by the board of directors.

## EMBLEM CLUB PARTY AT TAHOE APRIL 28

The public is reminded by the Lake Tahoe Emblem Club No. 347 that they will hold a box social and dancing party April 28, starting at 7:30 p. m. at Tahoe Inn, Tahoe City.

An evening of old fashioned fun is being planned by the sponsoring group.

## Coast Guard Unit For Tahoe Given Senate Approval

### Fund Approved To Build Facility Near Old Fish Hatchery

(Picture on Back Page)  
A senate appropriations subcommittee approved an allocation of \$87,000 for a coast guard unit at Lake Tahoe.

Senator Alan Bible of Nevada, a member of the committee told members the money is needed to provide an all year lake facility.

He said the money would be used for establishment of a manned mooring at a location still to be determined, but possibly on the site of the old Tahoe City fish hatchery.

Bible said the facility is needed in the public interest because of the "burgeoning growth" of Tahoe activities, such as fishing and water skiing.

## Seven Teachers To Leave Schools Here

Seven resignations from teachers in the elementary schools of the Tahoe Truckee Unified District were accepted by the governing board of the district at the April 12 meeting. At the same time the board approved employment of eight teachers in the elementary schools.

Resigning are James Simmons, principal, and Miss Donna Power, teacher, in the Donner Trail School; Mrs. Ruth Bundy, first grade teacher at Kings Beach; Miss Jeanne Kessey, fourth grade, E. Michael Leslie, fifth grade, Miss Kay Sharkey, first-second grade and James G. Licklider, eighth grade, in the Truckee school.

Employed as elementary teachers for the coming year were Mrs. Betty Long, Miss Janet Swinney, Gary W. Higley, Mrs. Lucy Hawk, Roland Hawk, Miss Lorene Townsend, Mrs. Suzanne Reams and Loyd Hoofard.

During the same meeting, the board discussed the possibility of providing housing at Donner Summit for teachers in the school there. Superintendent John Corbin was instructed to make inquiries on this problem.

## PARENT CONFERENCE AT SCHOOL TUESDAY

The annual Parent Conference night will be held April 26 at 7 p. m. at Tahoe Truckee High School.

C. W. Sciutto, principal says "a conference with the parent gives breadth and depth to the letter grade on the report card. There is no better device to find out what your son or daughter's performance actually is than a face to face discussion with the teacher involved. Two or three hours spent at the high school on Tuesday night will be of utmost benefit to all concerned."

"Your appearance at a conference of this nature may help your child reawaken or strengthen his interest in working for an education. The fact someone else other than the teachers are interested in what the student is doing will sometimes be a very welcome tonic."

"Because of the nature of the organization of the secondary school curriculum you will have to wait to confer with some teachers. You are urged to plan to see all teachers concerned. If the conferences are to be valuable we need you, the parent."

## ELKS WILL BALLOT AT WEDNESDAY SESSION

The North Tahoe Sierra Elks Lodge will hold its regular meeting Wednesday, April 27 at 8 p. m. at which time balloting of candidates who will be initiated on May 11, will be held. The budget for the coming year will be presented to the lodge members.

The exalted ruler, Roger Davin, has appointed the following members to serve this year on the building committee: Earl Gray, Ralph Bly, Dr. Wyatt, Bill Bechdolt, John Rayburn and John Richards.

**Return Here—** Mr. and Mrs. John Reedy have returned from a trip to Arizona, Nevada and southern California.

## Confusion Of Time Slated To Begin Sunday Morning

It's about time for the semi-annual confusion of the clocks. If you want to keep up with the legislative manipulation, you will set your watches and clocks ahead one hour before you retire Saturday night, because when you wake up Sunday morning it will be 8 and not 7 o'clock and you may have to hurry a little to get to church on time.

It's daylight saving time in both California and Nevada starting Sunday at 2 a. m. Don't ask us why.

The lost hour will be regained September 25.

## Candidates Chosen For Queen Contest

By VIRGINIA O'BEAR  
The various service clubs in the area have submitted their candidates names to the Ladies Auxiliary of the Donner Lake Volunteer Fire Department and on April 30, Miss Donner Lake will be crowned at an old fashioned box social.

There are nine beautiful young ladies vying for the title and even though just one can be Miss Donner Lake, they will all be winners as two will be princesses and six will be in the royal court participating in all activities for a year.

The following clubs have chosen the following candidates: Truckee Donner Chamber of Commerce, Varian Frey; Truckee Rotary, Jan Ambler; Truckee Lions Club, Steffi Firpo; Truckee Fire-ettes, Donna Barnes; Donner Lake Resorts, Shirell Hansen; North Lake Tahoe Rotary, Linda English; Tahoe City Rotary, Joanne Pomin; Lake Tahoe Felions, Valerie Mandeville; Wyethia Club, Joan Brown.

Last minute details are being accomplished by various committees of the ladies auxiliary to make this occasion a very enjoyable one for all. There will be door prizes and the price of admission is free.

Each lady is to take a decorated box with food for two which will be auctioned off. The tickets are free and there will be one ticket for each person to count in the voting for the candidate of your choice. Each person must be present for the voting and door prizes.

Since this is a social event for the entire family, bring your youngsters but be sure to pack a separate box supper for them that will not be auctioned off. Coffee will be served by the ladies auxiliary and the time is 6:13 on April 30 at the new elementary school.

## HOSPITAL BENEFIT PLANNED BY GROUP

The Women's Medical Auxiliary of Tahoe Forest Hospital is completing arrangements for a buffet and dance to be given in Bacchi's Inn, Lake Forest, Saturday May 7, opening at 8:30 o'clock, with buffet being served at 11 o'clock.

The event is being sponsored by the organization for the firrillator fund, an item which will add to the efficiency of the hospital.

The committee planning the affair includes Mrs. Leland Baker and Miss Alice Wirtz of Squaw Valley and Mrs. Ben King, Mrs. Terry Tollefson and Mrs. James Warnke of Truckee.

## YOUTH IS HELD FOR THEFT AT SQUAW

TAHOE CITY — Placer County officers have arrested an 18-year-old member of the Ski Patrol at Squaw Valley and accused him of stealing from athletes during the Olympic games.

Sheriff's deputies said the youth who was not identified, faced charges of burglary or theft.

He admitted taking a jacket containing \$130 from a French athlete, deputies said. They said he was picked up after an investigation of other reported thefts in the valley.

Complaints listed loss of jackets, money and ski pants. Officers said they would attempt to locate the French competitor and return his jacket and money.

## CONVENTION

Delegates and members of the Truckee 20-30 Club are expected to attend the Nevada District meeting in Loyalton for its spring educational meeting and convention on Saturday and Sunday, April 23 and 24.

## Bids Are Opened For Two Nearby Highway Projects

### \$902,408 Will Be Spent In Area During Year On Roads

Two low bids for construction of highways in the Truckee area were opened by the division of highways yesterday in Sacramento.

A low bid of \$79,605 was received for the reconstruction and widening of the Brockway cutoff from about one mile southeast of Truckee to the Nevada-Placer County line, officials at the Marysville district office reported.

The low bid was submitted by Krull and Pacheco of Union City.

The second low bid of \$822,803.40 was received from Isbell Construction Co. of Reno for a 6.6 mile relocation of the Truckee-Sierraville-Quincy highway, State Route 89, from U. S. Highway 40 near Truckee to 1.9 miles north of Hobart Mills. It was one of 12 bids submitted.

## BROCKWAY ROAD

On the Brockway cutoff, the 1.5 miles of the county road will be increased to a 24-foot width with plant-mixed surfacing on a reconstructed 32-foot roadbed, plus four-foot penetration-treated shoulders. Private road connections and drive-ways will be surfaced within the right-of-way.

There will be no change in alignment. An additional layer of surfacing will be a future project.

Work will start within three weeks of approval of the bid by the state attorney general, and is expected to take about eight weeks to complete.

There will be no detours and traffic will be permitted to pass through the construction zone at all times with a minimum of inconvenience or delay.

## JOINS PLACER

At its southern end, the project will connect with a similar 4.6-

(Continued From Page 8)

## Silver Belt Race Is Scheduled Sunday

NORDEN—The 18th annual Invitational Silver Belt Trophy Race will take place at Sugar Bowl Sunday.

This famous race, originating more than 100 years ago is one of the oldest trophy events in the United States and was started at the Sugar Bowl in 1940.

This year provides an interesting field with some of the world's best skiers competing. Among them will be Charles Bozon of France, Olympic downhill champion; Hanspeter Lanig of the German team; Nando Payarola of the Swiss team; Karl Schranz of the Austrian team and Jerry Buyakowsky representing the Olympic team from India.

There are also a number of top American skiers such as Tom Corcoran, Chuck Ferris, Gary McCoy, Emory Bounous, Emo Henrich, Emory Woodall, Jim Baker, Rusty Crook, Mickey Hogan and others. Buddy Werner will be a guest of honor at the Sugar Bowl.

A number of famous women skiers, including Linda Meyers, Andy Mead-Lawrence, Starr Walton and Patsy Nast, will be on hand.

Willie Schaeffler director of the Olympic Alpine events, will again set the course on Mt. Lincoln.

The Sugar Bowl will be officially closed at the conclusion of the race, Manager John O'Rear announced.

## LAST RITES HELD FOR MRS. ELIZABETH SALA

Funeral services were held here Wednesday morning at 9:30 in the Assumption Catholic Church for Mrs. Elizabeth Sala, 73, a former well known Truckee resident, who died at Sacramento Friday following a lengthy illness. Rosary was held at the Truckee Colonial Mortuary Tuesday evening.

Mrs. Sala was the widow of the late Bartolo Sala and mother of Mrs. Isabella M. Goodman of Reno and the late Antoinette Zunino of Wilton. Her grandchildren are John B. Zunino of Wilton and Daniel Goodman of Oakland.

Mrs. Sala was a native of Italy, born June 27, 1886, but spent most of her life in Truckee.

Interment will be in the family plot in the Truckee cemetery.

## ASSESSORS WILL BE HERE UNTIL FRIDAY

County Assessor Charles Kitts and his deputy, Leonard Oliphant are spending this week at the old Truckee elementary school on Church Street assisting local tax payers with their assessment problems.

Veterans who claim tax exemptions are asked to call at the office to file their certificates at this time.

The officials will remain here until 5 p. m. Friday and after that time tax payers may call at the office in Nevada City.

**Visits North State—** Mrs. I. Firpo has been a recent visitor at Crescent City.

TRAFFIC FATALITIES  
IN STATE DECLINE

Traffic fatalities during the first  
quarter of 1960 are almost 5 per  
cent lower than the total for the  
same period last year, Bradford  
M. Crittenden, commissioner of  
the California Highway Patrol, dis-  
closed today.

The death toll, statewide, stood  
at 799 on March 31 compared to  
840 a year ago.

"This improvement was accom-  
plished despite the disastrous  
truck-train collision in Kern Coun-

ty on March that took 14 lives,"  
Crittenden declared.

"However, grateful as we are for  
the gains that have been made,  
we cannot afford to become com-  
placent. Every motorist must ac-  
cept his responsibility to drive  
safely and legally if we hope to  
keep the downward trend in traf-  
fic deaths."

The CHP commissioner noted  
that during March alone the num-  
ber of deaths dropped 33 com-  
pared to the same month last  
year.

her husband have just returned  
from Arizona where they had a  
wonderful trip.

## TAXES

Just paid taxes and wife says  
we should not have to suffer these  
roads. Dust, nothing but dust and  
with these pretty days, having to  
close doors and windows. What  
became of the petition so many  
signed and no answer, what next  
before summer?

## NEW BUSINESS

Two of our popular Kings Beach-  
ites have taken over Ray & Mike's  
Garage and the AAA Department as  
of April 18 and believe it or  
not these two people are none  
other than Gwen and Robby Rob-  
inson and Bake and Ernie still on  
the job. This new project will be  
known as North Shore Automotive  
Service. We wish them the best  
of luck.

## FROM GLENDALE

Glad to see the Meredith Siples  
up during the past week, they may  
sell their beautiful home at Tahoe  
Vista and are presently building  
a lovely home at Glendale. Mere-  
dith has interest in the bowling  
alley in Kings Beach, which by  
the way is nearing completion.  
This will be a nice addition to this  
area for miles around. The grand  
opening will be announced in the  
near future.

## BIG EVENT TO COME

A big benefit for the Truckee  
Fire Department, dancing, buffet,  
prizes and everything we believe  
will be held on May 14, but watch  
for the ad covering the event be-  
fore that date, it's something to  
look forward to and how!

## EASTER PARADE

Yes, folks the colorful parade  
that attended church was wonder-  
ful and how heart-warming it was  
to so many to take time out to  
honor our Savior, at all religious  
ceremonies.

## EGG HUNT AGAIN

Too many participants to men-  
tion that took part. We can say—  
Crystal Bay Club colored the eggs.

DUTIES 'GOING UP'  
FOR STATE POLICE

SACRAMENTO — (CNS) — Du-  
ties are "going up" with the Cal-  
ifornia Highway Patrol.

While the CHP is concerned  
mainly with enforcement of traf-  
fic laws on state highways, as well  
as other crimes which might be  
committed on the highways or  
from which persons might attempt  
to escape on the highways, one  
officer in the Redding area extend-  
ed his jurisdiction.

The officer flagged down a low-  
flying airplane. The officer turned  
on his red light and flashed it at  
the plane, which promptly climbed  
to a higher altitude.

The crop duster pilot, who was  
delivering a new plane, said he  
was flying close enough to keep  
from being lost. He agreed to  
postpone his flight until the  
weather cleared.

Mike and Virginia Kornazewich did  
the fancy decorating, Roy Porath  
was as busy as a bee. The show  
at the Brockway Theater was of  
course well attended, with many  
thanks to Jack Neugebauer, the  
Rotary Club—many thanks.

**NOTICE BY COUNTY CLERK OF  
FURTHER OFFICES FOR WHICH  
CANDIDATES ARE TO BE NOMI-  
NATED OR ELECTED AT THE  
DIRECT PRIMARY**

Notice is hereby given that  
further offices for which candi-  
dates are to be elected at the Pri-  
mary Election to be held on the  
7th day of June, 1960, are as  
follows:

## Back At Lake—

Mr. and Mrs. George Kehlet who wintered at Palm Spring have returned to prepare for the opening of their Meeks Bay resort.

## West Shore Notes

By NINA SLADE  
Lambert 5-7751  
P. O. Tahoe, Lake Tahoe

The young-in-heart Tahoe City Volunteer Firemen made many young hearts happy Sunday at the annual Easter Egg Hunt they sponsored. Sandy Vanni and Breezy Cross were two lucky ones who found golden eggs which brought a special prize. Some 130 excited hunters attended the event. We especially admired the huge Easter basket contrived by Steve Korich,

and Mr. Easter Bunny himself, George Kunges costumed for this Easter parade by Mrs. Kunges. The volunteers had a busy day of it what with playing Easter Bunny and answering many calls at the same time for brush fires and road accidents.

The skiing Poulsens of Squaw Valley won the family giant slalom racing championship for the Lake Tahoe Ski Club at the recent Sugar Bowl-sponsored competition. Wayne Poulsen, Jr. had fastest time; Lance, Wayne, Sr., in his wake, with Mrs. Sandy and Chris also-rans.

The HAD Read-Mix Cement Co. on Highway 89 is expanding.

Partners Link Dempsey, John Anderson, Harvey Hopkins and Bill Meyers will now offer a complete glass service for construction in this area. Mrs. Hopkins will be in the office. Expert glaziers Hopkins and Meyers are from Sacramento and have moved their families to Tahoe. Peg Dempsey reports she has been busy counting noses for the census. Her children and those of her neighbor joined the Marshall Rukkalas youngsters for an Easter egg hunt Sunday. Peg's brother and sister-in-law, Mr. and Mrs. Jay Stuart, and Ned Stuart visited the J. R. Stuarts at Lake Forest over the holiday.

Gretta and Bill Poulter spent several days at their Tahoma lodge. Gretta is looking fine and feeling much better. Bill surprised her with a birthday dinner and celebration at Nevada Lodge last week.

The Arthur Schillings of Woodside spent a spring vacation at their Rubicon home.

Doug Wilson, son of Mr. and Mrs. Ivan Wilson of Donner Summit, spent Easter vacation at the lake with his fiancée, Miss Barbara Welsh. Both attend college in Sacramento, Doug majoring in

music and Barbara in education. They plan to teach after graduation.

The Ray Grahn's have recently returned from a 7,000 mile six-week swing from Canada and Minnesota to Mexico and southern California. Deborah and Ray Lee enjoyed a safari to Disneyland.

Charming newcomers to the Chamberlands area are Mr. and Mrs. Dan Hauserman of Menlo Park. The Hausermans are busy putting finishing touches on their lovely new home overlooking the lake. Five attractive youngsters are enjoying the mountain living, Susan, 11, Julie, 9; Mary 7; Danny 4; and Tim 2.

Both Corpus Christi and St. Nicholas churches were filled with Easter worshippers Sunday.

Big plans are in the works for a large Coast Guard station and pier at the old fish hatchery area in Lake Forest. With the increasing boat traffic on the lake this will indeed be a boost for the area.

The William Evers of San Francisco spent a few days at their Rubicon home recently.

Max Bretzfelder of Los Angeles is at his Tahoe Park home.

Slim and Velma Gussick of Rubicon Properties have returned from a trip to Oklahoma to visit her mother who has been ill.

The Edmund Thompsons of Sugar Pine Point Lodge, Tahoma, spent a few days shopping in Sacramento last week.

The Ralph Stanleys have returned to Santa Monica from a vacation jaunt to Parker Dam, Arizona and expect to come to Tahoma early in May. They report they have sold their Stanola Lodge as of March 31st to Mr. and Mrs. Wyn Fuller of Anaheim. Mr. Friday is city engineer at Anaheim. He and Stanley have been friends for 30 years. Ralph will help operate the lodge for the next two seasons. The Stanleys are building a year-round residence in Rubicon Properties.

Bernard and Lorraine Ducharme scouted the entire lake before deciding that Tahoe City "was the place" for them. They've started a shop, "The House of Ducharme" at the "Y" which offers antiques, flowers and gifts. An outdoor office patio is planned in collaboration with Mrs. Maxine Bacus, new owner of the former Tahoe Realty Co. in the same building. Associated with Mrs. Bacus are Mr. and Mrs. Major E. Jones of Tahoe City. The Ducharmes recently spent 12 years in Alaska, where he was radar construction superintendent in the Arctic for the air force. Ducharme has an interesting collection of ivory carvings and artifacts collected during their stay there. The couple live in Tahoe Vista. The shop is most attractively landscaped and handsomely stocked.

Bob Brigham, son of Mr. and Mrs. Robert M. Brigham, is working for Ollie Henriksen at Tahoe City. The Brigham's live in the old Kehoe house at Lake Forest. They came to Tahoe via Massa-

chusetts and southern California. Mrs. Lu Brigham is clerking at the Village Store.

Rev. S. L. Welsh, vicar of St. Nicholas Church, advises that confirmation classes for boys and girls begin Monday, April 25 at 4:15 p. m.; high school and young people, Thursdays, 4:15, April 28; (Continued on Page 6)

## STRIKES &amp; SPARES

BY JOE WILMAN

## THE LAW OF GRAVITY IS ON YOUR SIDE

Another bowling friend of mine is called "Powerhouse Paul."

For a long time now, I've been trying to get across to Paul the idea that accuracy is more important than speed in rolling a bowling ball. I ask him to picture the arm swing as a pendulum movement.

As you know, a clock pendulum moves in a straight line in one direction. Then it retraces the same path in the opposite direction. And the weight at the end of the pendulum provides all the necessary swing power.

The swing of the arm in bowling should be exactly like that. The weight of the ball as it's pushed away from the body will cause the arm to fall into the backswing, just as in today's illustration. You don't have to force the arm for greater speed.

The arm should then swing straight back into the backswing, pausing for just a moment at the top of the backswing. After that, the gravity pull of the ball should bring the arm straight forward for the delivery.

So don't follow the example of "Powerhouse Paul" and try to overpower the pins. A straight arm swing and consistent accuracy produce more strikes and spares than all the power in Paul's arm.

## TAHOE TRUCKEE SCHOOL NEWS

### TRUCKEE ELEMENTARY

**KINDERGARTEN:** We had a nice Easter party given by our room mothers, Mrs. Roy Saarni, Mrs. Gene Stone and Mrs. Bruce Grow.

This week we celebrated Karl Mullis' sixth birthday.

**SECOND AND THIRD GRADE:** Best spellers this week are: Augie Acosta, Claudia Rhoades, Phyllis Brown, Sandy Davis, Carl Mahon, Mark Manley, Steven Rose, Chris Wiser, Deborah Harris, Barbara Randol, Debby Rosamond, Doty Menges. We thank our room mothers for the nice Easter party.

Mrs. Bill Davis, Mrs. Zeph Rose, Mrs. Jim Harris and Mrs. Roy Rhoades.

**THIRD GRADE:** We planned our own Easter party last week. Curtis Melugin, George Franceschini, Curt Wurst, Sandy Eckerman, Liz and Tammie Richards, Kenneth Weller, Bruce Leamon, Monte Neugebauer and Terry Higgins were on the refreshment committee. Games were chosen by Anna Maria Collier, Steven Silverii and Mi-

chelle DeLisle. A special treat of Easter eggs was brought by Justus Spillner. We're so happy to have Esther Jaurequi in our class again.

**SEVENTH GRADE:** We were very disappointed to hear that Mr. Johansen was in the hospital with an old back injury. The teacher taking his place was Mrs. Rich.

The 7th grade is planning a dance for May 6th also one for June. In arithmetic, on Monday we had a test in per cent and algebra.

Editors of the week are: Denny Stumbaugh, Mike Sauby, Judy McGinn, David Sorani, Brenda Blair.

**EIGHTH GRADE:** The Truckee 8th grade played the Kings Beach 8th grade, April 2 and beat them 41-13.

**TAHOE LAKE SCHOOL**  
**SECOND GRADE:** The class had a thirty word spelling test this week. Nineteen children in the class made 100 per cent.

Wednesday, the PTA had an Easter party for the children. Before the party, the second and third grade class had an Easter egg hunt in the back of the school.

**SECOND AND THIRD GRADE:** We had a party last Wednesday with cupcakes, punch, and chocolate eggs. Table three had an extra

surprise for being the best table for four weeks.

**THIRD GRADE:** Newly elected officers: president, Kathy Njirich; vice president, David Sumner; and secretary, Heidi Henrikson.

The second and third graders joined in an Easter egg hunt on the playground just prior to the parties given by our room mothers on Wednesday.

**FOURTH GRADE:** The following children received hundreds in the weekly spelling test: Anna Marie Connors, Ann Starratt, Vicki Broomhall, Denise Henrikson, Janet Jorgensen, Breezie Cross, Mary Tabor Griswold, Ernie Marier and Barbara Ann Nielsen.

**FIFTH GRADE:** Excellent dramatizations were given by Mike Meith reciting 'Ele-telephonie'; Lynn Harper, reciting 'Little Boy Blue'; and Georgianne Luffy, reciting all nine verses of Robinson Crusoe and John Mathewson also doing Robinson Crusoe.

**SIXTH GRADE:** A short week to our delight capped off with a rollicking Easter party complete with Hawaiian punch, delicious cakes, cupcakes, cookies and bubble gum. Skits were given by Kai Smith and Cookie Myers, the four-

some, Dempsey, Nielson, Summers and Johnson favored us with a ballad and Cheryl Flory and Stephanie Snyder sang an excerpt from the Mikado. Dancing contest was swept by Wayne Johnson and Cheryl Flory in a never to be forgotten performance.

**SEVENTH GRADE:** The people receiving A's in the spelling test were as follows: Julianne Becholdt, Jerry Bloom, Allie Cushing, Lisa Davis, Randa Fugere, Becky Gorgias, Bill Hargadon, Larry Ingram, Judy Ingram, Karen McBride, Kristen Mienner, Roger Michener, Julie Mockaitis, Greg Moore, Katie Schieger, Susan Stephani, Janet Stromgren, Sherry Wall, Linda Wolden, Kathy Ann Wilson.

The people receiving A's are as follows: Penni Clarke, Cathy Connors, Lisa Davis, Eddie Hoff and Linda Sprague.

**EIGHTH GRADE:** Our class is preparing for final examination for the third quarter which will be given next week.

**KINGS BEACH SCHOOL**  
**SECOND GRADE:** Billy Osineup returned to our classroom after spending the winter in Castro Valley, California.

We have just completed a health unit on "Teeth." Our bean plants are growing beautifully. Some of the plants are three inches high. Eddie Baker spent his Easter vacation in Oregon. Jo Burris spent hers in San Diego.

## PEARL MARTIN NEW HEAD OF AUXILIARY

**KINGS BEACH** — Pearl Martin was installed as president of the Ladies Auxiliary No. 7077, Lake Tahoe, V. F. W. on April 13. Ceremonies were held at Crystal Bay Club with Virginia Giannatti, past department of Nevada president, as installing officer.

Those assisting during the installation ceremonies were Honora Muller of Carson City Kit Carson Auxiliary, Irene Greenhalgh, District No. 3 musician, and Mary Dunklee, Reno No. 407 Auxiliary.

The following officers who took their obligation along with Mrs. Martin: Dorothy King, Pearl Francis, Ethel Antonson, Estelle Seaquist, Bernita Jones Vera Woods, Beverly Newell, Lolita Decker, May Murray, Jean Cinani, and Pearl Moore.

Following installation, Mrs. Giannatti presented Mrs. Levr with her past president pin. Refreshments were served by hostesses Pearl Martin, Ethel Antonson.

**SERVICE AREA FOR TAHOE IS PLANNED**  
**AUBURN** — The Placer Board of Supervisors passed a resolution of intention of forming a county service area at Dollar Point at Lake Tahoe. The action was taken at the request of John Chaney, owner of 200 acres of property at

that location. He indicated his intention of developing the area as a residential district.

A county service area makes it possible for residents to secure road and utility services at their own expense under county supervision.

A public hearing on the proposal was set for May 17.

At the same time the board approved a resolution of intention to form a sanitation district serving the area.

In addition to the elements, forest enemies include bears, porcupine, rodents and rabbits.

## DONNER SUMMIT NEWS

By DONNA I. POWER

### DOG INJURED

Baron, pet dog belonging to the Bill Stricklands family of Soda Springs, was hit by a passing automobile on Highway 40 Easter Sunday as he followed another of Stricklands dogs toward home. The dog was taken to a dog hospital in Reno where his injuries were given treatment.

### NEW JOB

Primary teacher of the Donner Trail School, Donna Power, has accepted employment for the forthcoming school term in Japan where she will teach primary students in United States Air Force personnel. James Simmons, principal, is yet undecided as to the position he will accept for the coming year.

### HONOR RECEIVED

Fran Couillard of the Soda Springs Hotel was thrilled to receive a plaque signed by Walt Disney and Prentiss C. Hale which reads "This citation is awarded to Fran Couillard in recognition of and appreciation for your worthy contribution to the ceremony and overall pageantry of the VIII Winter Olympic Games." This citation was given to Fran to thank her for her efforts in greeting the Olympic torch "over the mountain" with the help of the Donner Trail Memorial cross country racers. Congratulations Fran. We too are proud of you.

### CORPORATION DINNER

The Soda Springs Hotel was the scene of the dinner enjoyed by eighty guests of the Soda Springs Ski Corporation Easter night. The gathering was to signify the successful completion of another year of skiing at Soda Springs. The events of the Easter week leading up to the climax of the dinner were numerous, consisting in part of the annual "Beer Race" which was comical to the spectator and refreshing to the skiers who passed through an obstacle course. Many other races were run all week. Two first year skiers Nancy and Susie Jang were among the winners. Barbara Lyddane was awarded the prize for the prettiest hat in Sunday's Easter hat parade. Even though the ski lifts at Soda Springs will continue to operate as long as snow lasts, much enthusiasm among skiers is over for this year.

### EGG HUNT

The Easter Bunny stopped at the Soda Springs Hotel yard where he hid 15 dozen gaily colored Easter eggs for which an estimated

## MOCK TRIAL HELD BY TAHOE ROTARY

By SHERRY THATCHER

TAHOE CITY—Taohe City Rotarians attending the April 11 dinner meeting at Tahoe Inn, welcomed Fred Kilner home for the summer and later heard his account of a vacation trip to the Far East with Mrs. Kilner. They had left San Francisco on October 31 by air, landing in Bangkok, Thailand, the next day. From Bangkok they flew to Singapore, the Philippines and to Tokyo.

Kilner said he visited the Rotary clubs at all places and received hearty welcomes, even to be presented with Rotary flags at each club. He said the club meetings were conducted generally in the English language with the exception of the Tokyo club where the meeting was conducted in Japanese. However, earphones were provided to hear an interpreter who translated everything said to the English language but, he continued he had talked with a number of the Japanese in English. The couple returned to their winter home at San Rafael on December 1st, came to Tahoe for the Winter Olympics and are now at home for the summer.

The regular program for the

forty children searched excitedly Easter Sunday morning. Five year old John Loder of Norden was the lucky one who found the "Golden Egg" which was worthy of a prize consisting of an Easter Bunny almost three feet tall. John is as proud as though the bunny were stuffed with gold dollars.

### SURPRISE PARTY

Mrs. Norie Heckle of Kingvale was the guest of a surprise shower in honor of the expected new arrival to her family of three. The shower was given by Mrs. Gloria Reed in her Kingvale home.

### WEATHER

The Central Snow Laboratory at Soda Springs reports the total snow fall for the season through April 18 as 286.8 inches containing a total of 47.1 inches of moisture.

### SUGAR BOWL

Easter week at the Sugar Bowl was a week of racing for junior skiers. Many local children were winners in the races. Among the young set of winners in the infants races were Robbin Board, Lorie Cardwell and Barry Bonous all of Sugar Bowl. Jay O'Rear won several races as did Barry Cardwell and Billy Strickland. Billy is pleased with his second place award in the Disney Race which consists of a reproduction of a picture painted by Walt Disney of his famous Mickey Mouse on Mickey's twenty-fifth birthday.

## TNT FINDINGS

By SHERRY THATCHER

Students returned to classes this week after a Wednesday noon until Monday morning vacation to commemorate Easter.

The journalism class visited the Reno newspapers plant, and the journalism department of the University of Nevada, last Tuesday.

The freshman class is planning a Sadie Hawkins dance on the 29th of April in the high school cafeteria. Members of the dance committee are: Cathy Barker, Carla Baxter, Virginia Baker, Craig Beck, Diane Kaspan and Dutch Speck.

### "Sierra Playland," the annual

evening was a mock trial by jury. President Bill Bechdolt appointed Bill Vernon as judge and Bill Briner as prosecuting attorney. The complaining witness, Fire Chief Al Henry charged Harry Johanson, in a criminal complaint, of driving a motor vehicle over a deflated fire hose causing damage to the hose.

Fireman Marshall Rukhala, testified that he had witnesses to the act. Defendant Johanson vigorously denied the charge and said he was being framed. In his plea to the jury of club members, Attorney Briner berated the defendant as being an officer of the law and chairman of the board of fire commissioners and then commit such an act.

He asked the jury for a verdict of guilty and recommended the maximum penalty with a possible suspension of the fine if, Johanson would complete plans for an addition to the fire house at an early date.

In his instructions to the jury, Judge Vernon cautioned that this is not a civil action and no damages to fire hose may be considered—it is rather a criminal action and, if you find the defendant guilty beyond a reasonable doubt you should render a verdict of guilty. Otherwise he should be found not guilty. On the first count the jury found the defendant guilty and the court fined him \$90 to be suspended provided the fire house plans were completed by May 1, Johanson, a licensed draftsman in his home country of Sweden, had started the plans a year ago. He agreed to complete them.

Twenty-seven members and two visiting Rotarians attended the meeting. The visitors were Dick Lavery of the North Tahoe Club and Dick Danford of Mill Valley. Bill Bechdolt presided.

## CONVENTION PLANS FOR VFW CONTINUE

KIGS BEACH—Alvina Wilslef, District No. 3 president, Ladies Auxiliary to the V. F. W. made her official visit to Auxiliary No. 7077 Lake Tahoe on April 13, at their regular meeting held at the Crystal Bay Club, Sophie Levra presiding.

carnival, is scheduled for Friday April 22 from 8 until 10:30 p. m. Each class will have two booths where games can be played. It will be held in the high school gymnasium. Everyone is welcome.

Friday, April 22, is Twirp Day at Tahoe Truckee. Students will be wearing goofy clothing, and the girls will be running errands for the boys. The boys may purchase twirp cards, and the holder of a twirp card may request various things of the girls, such as to tie their shoelaces, carry their books, polish their shoes, hold their coats, run errands for them, tie their neckties, carry their lunch trays and other stunts of the same caliber. Ought to be fun, don't you think?

Lolita Decker and Bea Snell submitted ideas for favors to be used at the luncheons during the Department of Nevada convention to be held at Crystal Bay, June 9, 10, and 11 and authorized to purchase material needed and bring to the social meeting to be held April 28 so that favors can be started then.

Pearl Moore stated that reservations are coming in for the convention and asked the visiting members to stress the fact that reservations must be made in advance in order to assure delegates attending a place to stay.

Sophie Levra and Dorothy King were appointed to assist the Post advertising chairman working on the souvenir booklet.

A gift of appreciation was presented to Mrs. Wilslef by Mrs. Levra.

Following the regular meeting installation ceremonies were held. Guests attending were: Alvin Wilslef, Irene Greenhalgh, Rue Morris, Honora Muller, Bernice Snyder, Mary Dunklee, Ida Henderson, Virginia Giannatti.

Uranium occurs chiefly in the ores pitchblende and carnotite.

By VIRGINIA O'BEAR

Now that the box social and queen coronation is just about here, much excitement is being experienced by the queen candidates as well as the clubs sponsoring the girls, the families and friends and the ladies auxiliary. A good time will be had by all but you must be present with your free ticket for it to count for the door prizes and the voting. The time is 6:13 on April 30 at the new elementary school. Ladies must take a decorated box with food for two which will be auctioned off. There will be a separate auction for teenagers and one for adults. Younger children are welcome but parents should bring a separate box of food for their children which will not be bid upon. Free coffee will be served by the ladies auxiliary. Auctioneers for the evening will be Reverend Symons, Father O'Neill, Hap Warnke, Willie Curran and Virgil Harris.

Officers and board members of the ladies auxiliary met at the home of Mrs. Hank Slack Monday evening to prepare for the Thursday dinner meeting which will be held at the Church of the Mountaintops at 7:30. Members of the Womens Society Christian Service are preparing a delicious buffet and many members are planning to attend. Following the conclusion of Mondays board meeting, Dorothy served a delicious cake with whipped cream and coffee.

The Donner Lake Volunteer Fire Department had a board of directors meeting Monday night and many things were accomplished. Arnold Verdi was voted in as a board member and Tony St. Claire was voted in to replace C. Z. Smith, who resigned recently. Ivan Tofft was chosen to be board chairman of the Donner Lake regatta and Charles O'Bear was named as race chairman. A meeting is scheduled for this Sunday at the firehouse and all men at Donner Lake are invited to participate in this work session. The firemen plan to finish the ceiling inside, arrange the building for a concrete floor and to prepare space and shelves for more storage. Sunday men, at 10 o'clock.

Fishing has been great at Donner Lake. The last report that I received was that Ted Knoff of Truckee weighed in three mackinaw at McReynolds Sporting Goods and to date has caught the largest fish and the largest weight limit. One weighed in at 22 pounds, one was 21 and the third was 17 pounds. Deadline is May 15 of this fish derby which is sponsored by Donner Lake Resorts. A free fish fry will climax the derby at Donner Lake Lodge between 1 p. m. and 4 p. m. on May 15. At that time prizes will be awarded to the lady who caught the largest fish and the one who caught the largest weight limit, also the youngster under twelve and to the men who catch the largest fish and largest weight limit. Members of Donner Lake Resorts are not eligible.

Mr. and Mrs. Dan Horman and daughters, Pamela and Donna, returned from a week's vacation spent in Los Angeles and Mexico. While in Los Angeles, I understand the children were taken to Disneyland. The Horman took a little time off now before their busy season starts at the Trading Post.

Mr. and Mrs. Frank Lang spent Easter with their daughter and son-in-law, Mr. and Mrs. Richard

**WEST SHORE NOTES**  
Continued from Page 3

adults, by appointment with Rev. Welsh. Delegates to the Diocesan convention at Hoberg's Resort are Gordon Moyer and Malcolm Fox, accompanied by their wives, who will attend the women's meetings and bring back ideas for the women's guild.

"Mac" and May McLean of Los Gatos brought up nine boys for Easter vacation at their Arbutus Camp in Tahama.

The Mark Newfields of Lodi were at their Tahama lakefront place for a week.

Safeway Stores have applied for a permit to construct a pier at Lake Tahoe 1,100 yards north of the Truckee River dam.

Jean Callender of Homewood was co-hostess at afternoon tea for the Sagebrush Chapter of DAR in Reno recently. The Callenders entertained Phil and Louise Geier and Maris Franz at dinner last Saturday.

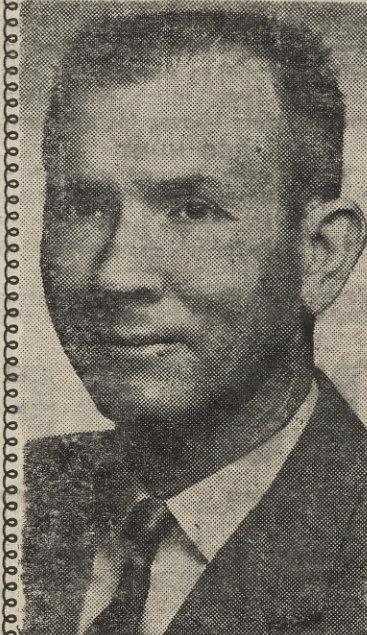

Quist, Dick and Paula are busy with their new home these days and I'm told it's coming along fine.

Mr. and Mrs. Rex Reid spent Easter Sunday with their son Larry where he is stationed at Fort Ord. Bess said that Larry might be permanently stationed at Fort Ord during his army career.

If you are wondering what happened to Donner Doings last week, here's what happened. I became a proud step-grandma so as soon as we got the call last Monday we took off for Santa Rosa. Our little granddaughter arrived on April 11 and weighed in at 8 pounds, four and a half ounces. She has been named Stephanie Ann Holmes and besides her proud dad and mother, Mr. and Mrs. Jim Holmes, she has proud grandparents here at Donner Lake as well as an Uncle Mike and Aunt Jennifer.

## AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — The constant and increasing inroads of government into control of private business give cause for speculation at times as to whether or not the American public has sold its birthright for a mess of pottage, the fumes from which carry the provisions of a constitution its forebears fought for up to high heaven, and into the nothingness of space.

The businessman of 1960 spends countless hours and countless dollars keeping books for the government. He is forced to be a banker for the government and collect payments from his employees which under any consideration, they should be responsible for themselves.

Apparently, the government seems to have forgotten that the employee, as well as the employer, is a citizen, and has the same rights and the same responsibilities under both state and national law as does the man he works for.

The modern concept does not take this into consideration, but requires that the employer act as wet-nurse to his employees to assure the payment of his income tax and all the other taxes the government collects to assure the future of the employee.

The restrictions on business through taxes, business licenses, production controls, price controls and a hundred other controls, are too numerous to recount here, and most of them have been imposed because a long-suffering public has been too apathetic to protest.

But now a new control looms which eventually may endanger the freedom of the press, which is the only medium of information and free communication the people of the nation have left. All others, the television and radio, and even to some extent, the bill-boards, are government controlled.

This is the attempt of the California Fair Employment Practices Commission to control the advertising columns of the newspapers of the state through imposition of rules and regulations which would tell the papers what they can print and what they can't print, insofar as advertising for help is concerned, in connection with race, color and creed.

The commission has even asked the California Newspaper Publishers Association to work with it in developing these rules and regulations, which if ever adopted and put into effect, would have the same force and effect as the statutes of California.

The question arises, of course, as to what right any government organization has to dictate to the press what it shall print and what it shall not print. Also, what right the government has to hinder any businessman from advertising for anything he wants in the public press.

The answers undoubtedly will have to come from the United States Supreme Court, which if it is fair in considering the question, must take into consideration Section Nine of Article one of the state constitution, which says:

"Every citizen may freely speak, write and publish his sentiments on all subjects, being responsible for abuse of that right; and no law

## MOST ACCIDENTS ON LEVEL, DRY ROADS

More than half of all traffic accidents that caused injury or death in California last year occurred on straight, level and dry roadways, during daylight hours and clear weather conditions.

These facts were disclosed by Bradford M. Crittenden, Commissioner of the California Highway Patrol, who said they were based on an analysis of 95,880 reportable, or fatal and injury accidents. Of these, 3,062 were fatal accidents in which 3,588 persons were killed, and 92,818 were injury accidents in which 143,634 persons were hurt.

"While it is true that most reportable accidents occurred in the daytime, this is not true in regard to fatal accidents only," Crittenden noted. "Most fatal accidents occurred after dark and most of these were on roadways without street lights."

Observing that the conditions under which most accidents occur are the usual rather than the unusual, Crittenden added:

"shall be passed to restrain or abridge the liberty of speech or of the press!"

## RESORTS MUST HAUL GARBAGE AT TAHOE

KINGS BEACH—After May 4 commercial establishments in the North Tahoe Public Utility District will have to have their garbage hauled away instead of grinding it up and flushing it down the drain.

District directors voted to prohibit the use of garbage disposal units in business places. Manager Edward Francis said during the summer the gambling casinos on the Nevada side have been disposing of five tons of garbage per day

"The significant thing is that people rather than conditions cause traffic accidents. If each of the motorists who were involved in these accidents had been a little more alert, a little more considerate of the other fellow, a little more careful about observing the traffic laws, the toll of death and injury would have been reduced dramatically."

"Call it defensive driving, or self enforcement, or whatever term you want, the fact remains that the problems of traffic accidents can be solved only by the people who drive our motor vehicles."

through the sanitary sewer system. He explained the material has a high grease content and causes difficulty at the treatment plant.

Half Dome in Yosemite National Park rises more than 4,000 feet above the floor of the valley. The Golden Gate "Boca del Puerto," or mouth of the port.

## HIGHWAY BIDS

(Continued From Page 1)  
mile improvement in Placer County completed last year. From the northern end, a future new alignment is being studied for an improved connection into Truckee. The route serves as a shortcut between the U. S. 40-Truckee area and the north Lake Tahoe region, as well as points east in Nevada.

As part of the federal-aid secondary road system, or FAS program, the route is included in the state-wide program of improving important county roads and highways. Financed jointly by county, state, and federal funds, the project was initiated by the Nevada County board of supervisors. Federal law requires that such work be done by state contract under the general supervision of the division of highways district office in Marysville.

## HOBART PROJECT

On the Hobart project the new two-lane, 28-foot asphalt concrete highway will travel on an almost new alignment north of Truckee and considerably west of the present route, to allow for formation of the proposed Prosser Creek dam.

The new route will rejoin the present highway alignment north of Hobart Mills.

Work will start within three weeks after approval of the bid by the state attorney general, and is expected to take about six months to complete under favorable weather conditions.

During construction, traffic will continue to use the existing highway. Where the present road connects with new construction especially on the final two-thirds miles at the north, traffic will be permitted to pass through the work

## FAIR BOARD EMPLOYS AIDES FOR EXHIBITS

The Nevada County District Fair Board of directors met last week and hired Ray Hicks to put on a wild west rodeo featuring a wild cow milking contest, team roping, bull riding, saddle bronc riding, barrel racing, bareback riding and calf roping, for Friday and Saturday nights, August 26 and 27.

Concession agreements were approved for the Young Ladies Institute, American Legion Auxiliary, Veterans of Foreign Wars and the Nevada City Lions, all local organizations and for Joe Divino West Coast Novelties and Clay M. Keller, professionals.

Col. George W. Busbey was given a contract to judge the 4-H horses and ponies and answering a long felt desire of the farm organizations, A. E. Strobridge, well-qualified judge from Sacramento was hired as a third judge for the Feature Booths and to assist on the Horticulture-Agriculture judging. This third judge will be able to devote some time to explaining reasons for judges decisions to the exhibitors.

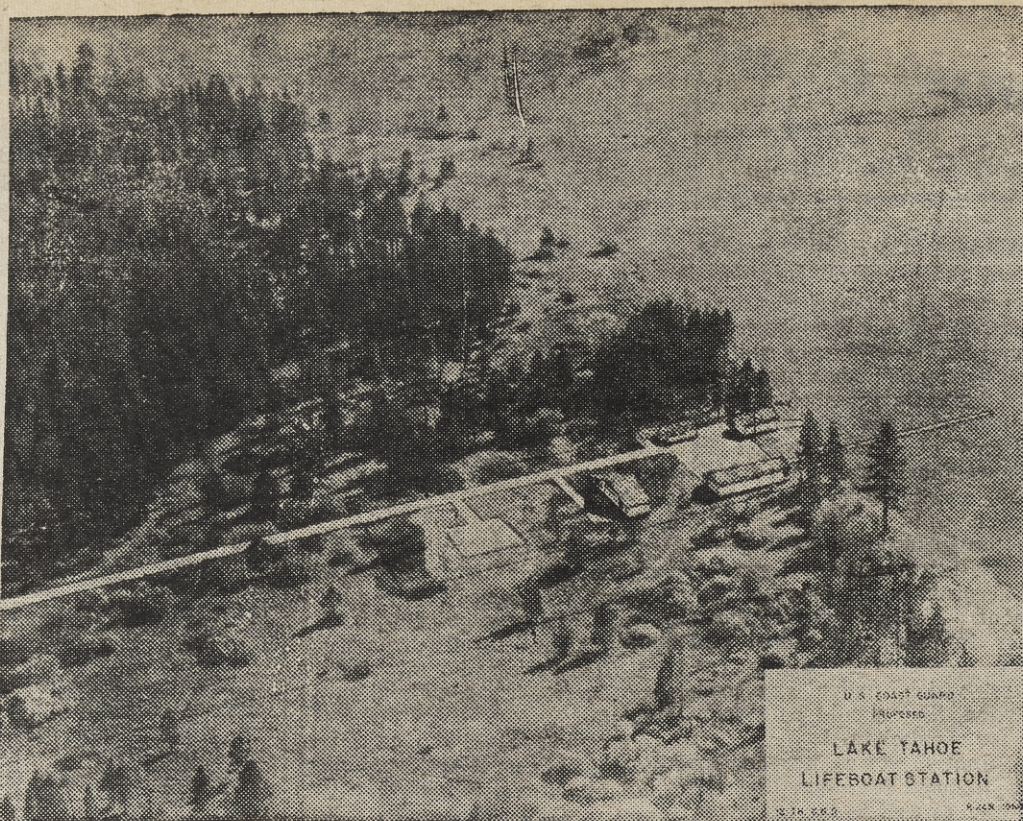

zone with a minimum of inconvenience or delay.

## INCLUDES BRIDGES

The project will also include a 131-foot, three-span, reinforced concrete t-beam bridge over Prosser Creek near Hobart Mills. The existing narrow bridge on the present highway will be demolished.

Portions of the present road which will not be flooded by the man-made lake will be resurfaced or seal-coated prior to relinquishment to the county.

The federal bureau of reclamation, builders of the dam, is sharing part of the cost of the reclamation.

WASHINGTON—A proposed Coast Guard facility at Lake Tahoe is shown in this aerial photo of a section of land once occupied by the old Tahoe City fish hatchery. Senator Alan Bible who has been instrumental in securing the necessary funds for the start of the project, said that negotiations are now under way between the Coast Guard and the State of California for the acquisition of the land on a long-term lease. Eventually the project will include duplex living quarters for the officer-in-charge and assistant, and a six-man barracks for occupancy during boating season, June through September, a dock for a 30-foot rescue boat, a helicopter landing pad, and a garage and utility building.

## CLAIM PENDING FOR PARKING LOT DISPUTE

The Placer County Board of Supervisors has been informed by District Attorney Al Broyer that a claim against the superintendent of schools, Albert F. Bequette, by John Lloyd and Jack Ellis of Truckee, aggregating \$52,837.64 is not a county charge.

The district attorney said the claim should be presented to the Tahoe Truckee Unified School District.

The claimants contend that the school district voided a contract on a piece of land desired for a parking lot near the school, on advice of the school superintendent.

## GATEWAY MOTEL IS HONORED BY HINES

The Tahoe Tavern, Tahoe City, and the Gateway Motel, Truckee, will be honored as 20-year members of the Duncan Hines Family next month in Chicago, it was announced by Roy H. Park editor-in-chief of the Duncan Hines Institute, Ithaca, N. Y.

Twenty-year members of the Duncan Hines Family are those establishments listed in the 1940 editions of the Duncan Hines Travel Books and still listed in 1960.

Park made known the awards in announcing the annual Duncan Hines Family Dinner, which will be held at Chicago's Pick-Congress Hotel on Monday evening, May 9.

Permanent—Mr. and Mrs. E. C. Cooley who have been living at Los Altos and Crystal Bay are planning to make their Lake home their permanent residence.

License—Juvenal Jaquez, 22, of Tahoe City and Carmen Cortez, 20, of Sparks, Nevada were issued a Nevada marriage license.

## RAY CARPENTER IS IN SENATE CONTEST

Raymond R. Carpenter, Auburn area California Highway Patrol officer, announced he will be a Democratic candidate for the seventh senatorial district.

Carpenter was born in Nevada County and has lived most of his life in Nevada and Placer Counties. He is a graduate of Placer Union High School and Sierra College in Auburn, and spent nine years in the air force before becoming a traffic officer. He is married and has five children, David, 10; Paul, 9; John, 7; Deborah, 1½ and Rebecca 7 weeks.

Carpenter was on the local patrol squad in 1957 and is well known here.

In announcing his candidacy, Carpenter stated if he is elected he will work for local interest in water development; the reopening and development of gold mining in Nevada and Sierra Counties; protect forest lands by controlling logging practices and for farming interests.

From Capital—Mrs. Joseph Gomes and daughters, Lynn and Cathy returned to Sacramento, following a visit with the Robert Leamons.

At Norden—Mr. and Mrs. Ray McCarty have returned to their home at Norden from a visit to Palm Springs.

California's only known source of chrysolite asbestos is in Napa County.

## O. E. S. WILL OBSERVE PUBLIC SCHOOL WEEK

Truckee Chapter No. 116, O.E.S. will meet at 8 p. m., May 3 with Worthy Matron Margaret Craig and Worthy Patron Sam Faulkner presiding. Public Schools Week will be observed.

Hostess will be Ida Crandall. The officers will participate in the initiation ceremony. Estelle Klitske will be in charge of refreshments assisted by her committee.

## POLITICAL ADVERTISEMENT

## Streets Are Improved Under Local Official

There are still many people living in Truckee who recall the types of streets and roads they traveled in the days before your incumbent supervisor, H. G. Loehr was elected to serve the Fifth District some 15 years ago.

From these muddy, chockhole trails have come miles of improved, paved streets and roads, proving easy transportation in both summer and winter. This has not been accomplished without considerable effort on the part of the supervisor, who has made it a first point of business to obtain for his district every cent of money it was possible to get through all available sources.

Obtaining this money for road work is a technical project and if constant pressure is not exerted it is a simple matter for road funds to be diverted. In order to maintain present streets and roads and add to them, this pressure must be continued without interruption. If a newcomer to the district, you need only inquire of some of the old timers the types of roads that were inherited by Supervisor Loehr who is now asking your support for reelection at the June 7 primary.

## WATER MEETING AT TAHOE ON MONDAY

TAHOE CITY—The Placer County Board of Supervisors, acting as the Board of Directors of the Placer County Water Agency, have set a special meeting of the agency for April 25 at 10 a. m. to be held at the Tahoe Community Center, Tahoe City.

L. L. Anderson, chairman of the water agency, stated that the purpose of this meeting is to allow the agency an opportunity to get the views of all Placer County residents in the Lake Tahoe-Truckee River area concerning water needs and sewage disposal problems in this area so that the agency

may submit recommendations to the California-Nevada Interstate Compact Commission.

Those who will be present at the meeting will be the board of directors of the agency, who are the board of supervisors, Bill Bechtold of Tahoe City, who is the Placer County representative on the Interstate Compact Commission the agency's attorneys and engineers, and the Placer County Planning Director.

Anderson urges all Placer County residents of the Tahoe-Truckee area who are interested in the future growth of that region to attend.

The earliest date of a printed map was 1460 A. D.

# Tarzan

by EDGAR RICE BURROUGHS

I'VE STOMACHED ALL I CAN OF POMPU, BUT LET'S GAS UP A JEEP AND GET OUR CAMERAS BACK TO CIVILIZATION... IF WE CAN.

YOU WANTED TO TALK WITH TARZAN, I.B. HE'S HERE! TALK TO HIM!

THE HYSTERICAL, COWARDLY POMPU WHIMPERS ON HIS BUNK... HIS FABULOUS WEALTH NO LONGER BUYS THE SAFARI'S RESPECT, OR OBEDIENCE.

TARZAN RETURNED, AS YOU WISHED, I.B. BUT IF YOU DON'T SNAP OUT OF IT, AND TALK WITH HIM, HE'S LEAVING!

GO 'WAY, JOE! ALL OF YOU (SNIFFLE) GET OUT OF HERE... EXCEPT (BLUB-BLUB) TARZAN!

I'M DYING, TARZAN... BUT IF YOU KNOW (BLUB) HOW TO KEEP ME ALIVE, I'LL PAY YOU BIG MONEY!

WHEN I TOOK THE SPEARHEAD OUT OF YOU, POMPU, I POURED ANTI-TETANUS SALVE INTO YOUR CHEST WOUND... IF YOU DO AS I SAY, I THINK YOU'LL LIVE; BUT...

...BUT IT'S I WHO MAKES YOU A PROPOSITION NOW, POMPU! I DON'T WANT YOUR MONEY! NAME WHAT YOU WANT, TARZAN... AND IF I LIVE IT'S YOURS!

ANYTHING YOU WANT, TARZAN... IF YOU KEEP ME ALIVE! THESE STUPID MEN WITH ME WANT ME TO DIE!

THEY'RE NOT STUPID! BUT YOU'VE USED THEM BADLY... TREATED THEM LIKE SERFS! YOU'VE BEEN THE STUPID ONE!

NOW LISTEN, POMPU! THE BARGAIN I'LL MAKE WITH YOU IS THIS: I BECOME THE LEADER OF THE POMPU AFRICAN EXPEDITION! I GIVE THE ORDERS, NOT YOU! I GUARANTEE YOUR LIFE... AND A MOTION PICTURE FILM THAT WILL MAKE YOU FAMOUS! YOU OBEY ME!

Featuring BATHLESS GROGGINS by RAE BURN VAN BUREN

AT U.N. HEADQUARTERS-- OUR RESEARCHERS HAVE UNEARTHED AN ASTOUNDING FACT, GENTLEMEN. THERE IS ONLY ONE NATION THAT HAS CONTINUED IN EXISTENCE SINCE THE BEGINNING OF RECORDED HISTORY WHICH HAS NEVER WON A WAR-- AND STILL REMAINS UNCONQUERED!!

HERE IT IS--A TINY SPECK IN THE VAST OCEAN, ENTICA!! AS FAR AS WE KNOW THEY HAVE NO ARMY, NO NAVY-- AND NO WEAPONS OF WAR. HOW, GENTLEMEN-- HOW DOES THIS REMOTE AND DEFENSELESS KINGDOM MANAGE TO ESCAPE BONDAGE?

OUR RESEARCHERS HAVE DUG UP--AH--DISCOVERED THE ONE MAN WHO HAS ACTUALLY BEEN TO ENTICA--J.P. GROGGINS, LECTURER, TRAVELER, EXPLORER--HAVE I OMITTED ANY ACTIVITY, MR. GROGGINS?

ONLY THE IMPORTANT ONES, PAL--LIKE TOMATOES, SPIRITS, AN--

NOW YOU SEE, DEAR COLLEAGUES, MR. GROGGINS' FLAIR FOR HUMOR! AS I WAS SAYING, MR. GROGGINS HAS VOLUNTEERED TO REVISIT ENTICA AND REPORT ON THEIR REMARKABLE PEACE RECORD!

THAT'S IT DOWN THERE, BUSTER.

IT CANNOT BE A BIRD--BECAUSE IT HAS NO WINGS!

UNLESS MY EYES DECEIVE ME, IT IS A MAN WITH A LARGE MUSTACHE AND A NOSE WHICH EVEN FROM HERE SHINES LIKE A FIERY BEACON!

TO BE CONTINUED

**Fritzi Ritz**  
By ERNIE BUSHMILLER

THAT CAKE OUGHT TO BE ABOUT DONE

OH, BOY---FRITZI IS BAKING A CAKE AND COOKING A DINNER FOR MY BIRTHDAY

WHAT'S WRONG, FRITZI?

MY ELECTRIC STOVE QUIT WORKING RIGHT AFTER I BAKED YOUR CAKE--- NOW I CAN'T COOK THE ROAST

DON'T WORRY ABOUT IT--- WE'LL GO OUT TO EAT

BOO HOO--- I WANTED TO TREAT YOU TO A HOME COOKED MEAL

OH, DON'T FEEL SO BAD--- MAYBE WE CAN COOK ONE HERE AFTER ALL

REALLY? CAN YOU FIX STOVES?

NO--- BUT HERE'S SOMETHING WE CAN COOK WITHOUT A STOVE

THERE IS?-- WHAT?
